

South Coast Stainless is a family owned and operated company that has been doing business since 1981 offering the highest quality stainless steel fasteners for your Hot Rod, Hot Bike, and Hot Boat. Stainless steel fasteners are virtually maintenance free. They can be used as is, painted or polished to a lasting finish. Unlike chrome, stainless will not rust, chip or peel.

About our polishing: We take great pride in the quality of our polish. While most companies have limited or even eliminated the service altogether, we have remained dedicated to offering the absolute highest quality Show and Satin polish in the industry for all of our stainless fasteners. Each item is polished to order and attention to detail is our number one priority. All of our fasteners are polished in house one at a time by hand. If you have not seen our polish, feel free to give us a call and we will send you a sample. You will be impressed with our product.

About stainless steel: Most of our fasteners are made of "18-8" (300 series stainless steel having approximately 18% chromium and 8% nickel). The metric designation is A-2. The strength of these fasteners is between Grade 2 and 3. Stainless steel is a fairly soft metal and for this reason it tends to gall. Always use Anti-Seize or a similar product when working with stainless steel fasteners.

About your safety: We do not recommend the use of standard strength stainless on braking or suspension systems. We offer a line of high strength "grade 8" stainless fasteners in our ARP section. Always refer to the application guidelines of the original manufacture. South Coast Stainless will not be held liable for any loss, damage or injury resulting directly or indirectly from the use or misuse of any product we sell. It is the customers' responsibility to determine if the product is suitable for its use and application. Above all, use common sense when using stainless steel.

- Pricing: All prices are subject to change without notice.
- Payment: We accept Visa and Master Card. **COD orders require cashier check or money order.** We do accept personal checks as pre-payment, however the order will not ship until the check clears the bank. All foreign orders must be pre-paid in U.S. funds with either Money Order or Credit Card.
- Shipping: We ship orders via UPS Ground and USPS Priority Mail unless other service is specified. For UPS shipments we must have street address or 911 rural route address. **UPS will not deliver to Post Office boxes.** International orders are sent UPS Worldwide.
- Returns: All returns must be returned prepaid. (COD returns will not be accepted) Products used or altered in ANY way are not returnable. All sales are considered final after 30 days. There will be a 20% restocking fee applied in certain situations.
- Guarantee: Our merchandise is guaranteed to be free from material or workmanship defects. Should you receive a defective item, please contact us immediately so we can make arrangements for exchange and/or return. If you're not satisfied, we're not satisfied.
